## **BlueRobins Summer Internship Offer Letter**

This offer is made to **Chloe Nguyen**, currently studying at UC Berkeley, for the position of **Data Analytics Intern** at BlueRobins Inc., a Berkeley SkyDeck company.

BlueRobins interns (hereafter referred to as the “Intern”) are selected to participate in a structured internship program designed to provide hands-on experience in startup operations, growth, and execution. This document outlines the responsibilities, structure, and expectations of the internship and serves as an agreement between the Intern and BlueRobins.

### **Program Structure**

**Role:** Data Analytics Intern

**Dates:** May 21, 2026 to August 14, 2026

**Commitment:** Flexible part-time

This role is designed to give you ownership over product and growth insights, data analysis, and actionable recommendations.

### **Roles and Responsibilities**

- Analyze product and user data to identify insights that support better decision-making
- Build dashboards and reports that make data easy to understand for non-technical team members
- Create clear visualizations that turn metrics into actionable insights
- Support experiment analysis, including A/B testing, result interpretation, and

#### recommendation development

- Track key product metrics such as engagement, retention, and completion rates over time
- Collaborate with product and growth teams to answer questions such as whether initiatives are working and where to focus next
- Help make data accessible, useful, and actionable across the team

#### Expectations

- Must maintain consistent communication and responsiveness. Critical customer/mentor facing inquiries answered or followed up in 24 hours.
- Must proactively manage time and ensure completion of assigned work
- Demonstrate reliability, initiative, and attention to detail
- Be available for daily standups / weekly team meetings

#### General Guidelines for Interns

- a. Be punctual and attend scheduled meetings
- b. Communicate in advance if unavailable
- c. Provide regular updates on assigned work
- d. Demonstrate reliability and critical thinking
- e. Maintain a positive and professional attitude
- f. Ask questions when needed
- g. Be receptive to feedback

#### Compensation

This is an unpaid educational internship experience intended to provide mentorship, exposure to startup product development, portfolio-building opportunities, and practical learning experience.

#### Confidentiality

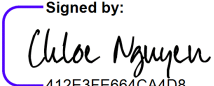

Interns agree to strict confidentiality of the information shared by BlueRobins. No materials should be shared with individuals outside of BlueRobins.

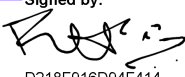

### Intern Termination

- a. Should the intern breach any of the aforementioned guidelines, BlueRobins staff reserve the right to end the internship prior to the end of the period.
- b. Either party may terminate this agreement with 5 days' written notice.

I, Chloe Nguyen, hereby agree to abide by the terms outlined in this interns participation agreement.
